WORK EXPERIENCE

Front-End Developer Trainee
Function Up

03/2023 - Present
Completed comprehensive training program focused on front-end web development. Acquired proficiency in HTML, CSS, and React.js. Developed practical skills through hands-on projects and assignments. Collaborated with a team to create responsive and user-friendly web interfaces. Gained knowledge of best practices in web design and development.

Design & Development Engineer
Volvo Eicher Commercial Vehicles Pvt. Ltd. Pithampur, Madhya Pradesh

08/2018 - 10/2022
Played a key role in the design and development of bus body components, ensuring compliance with industry standards and specifications. Collaborated with cross-functional teams to analyze project requirements, create design concepts, and develop engineering solutions. Utilized CAD software (such as PTC Creo and AutoCAD) to create 3D models and detailed engineering drawings. Implemented design modifications and improvements based on feedback from production, quality, and customer support teams. Successfully managed multiple projects simultaneously, adhering to strict timelines. Received recognition for outstanding performance.
